

Coldwater Lake ASSOCIATION

Fall Edition

End of Summer Success!

It's hard to believe we are nearing Labor Day! We've had a beautiful and fun-filled summer. The Coldwater Lake Association events continue to be popular among the lake community. On July 1, we served 969 pancake breakfasts, raising \$4,465. Food Truck Friday was also a great success with over 1,000 people attending. This has become a well-attended event and we plan to host more than one next year.

For the first time, we offered a CPR training class. Due to high demand, we will offer another class in September (see next page). Also new and coming soon, the Branch County Mobile Library will be available twice a month, year-round at the association building. We also hosted a Red Cross Blood Drive on August 14.

We are always looking for ways to support and serve our community and are grateful for our members, volunteers and corporate sponsors that make these events possible. Unfortunately, our membership numbers are down along with donations to fireworks and Lakeland Fire Department. If you haven't donated this year or you feel inspired to donate more, please go to ColdwaterLakeAssociation.com. Please encourage your lake friends and neighbors to join.

We hope you have a great fall and winter. This is our last newsletter for 2023, so please follow us on Facebook and be on the lookout for email blasts this fall and winter.
