

A Warm Welcome Awaits You at the Lake

We're excited for another summer of fun with friends and family on beautiful Coldwater Lake!

The Association continues to find ways to connect and enhance our lake community. Last year, we started the important conversation with lakers and government entities around the safe use of golf carts around the lake. We continue to stay involved and you can follow the most recent updates on our website.

We're offering a few new events this summer including a 4th of July boat parade, a four-part Community Education Series (see details inside), and the addition of a second Food Truck Friday, requested by members.

Over the past few years, membership numbers have slipped a bit. The dollars collected are up due to the

increase in membership dues in 2023, but our total membership is down. We encourage you to attend our annual meeting on June 15 where we provide a recap of our financials. Please spread the word to your lake neighbors. Dues and donations can be made easily through the website.

Lastly, we'd like to thank our corporate sponsors who have been instrumental in helping us achieve our goals and community support when membership dollars aren't enough.

We always welcome your feedback! If you have suggestions or ideas for the Association, please feel free to reach out at Info@ColdwaterLakeAssociation.com.

Coldwater Lake Association Trustees

Flotilla Planned for the 4th of July

We are very excited to announce the first-ever Coldwater Lake 4th of July Flotilla. We've been thinking of this for the past few years and have also received requests from our members.

What is a flotilla? A flotilla is a group of small naval vessels, containing two or more squadrons or a group of vessels moving together. Dress up your boat, kids and dogs in your best 4th of July themed decor and gear!

When: Thursday, July 4th, 1:00 p.m.

Where: We will gather in the bay by the public launch.

How: The Branch County Marine Patrol will lead our flotilla around the perimeter of the entire lake.

NEW! Coldwater Lake Association Community Education Series

You may recall that we held a few informational sessions last year, including hosting Mike Hard, Branch County Drain Commissioner, who spoke to interested community residents about our sewer system, lake levels and other relevant topics. Due to the interest and good turnout, we are excited to announce a summer series of information meetings for our members. Mark your calendars to attend at 7pm.

- Wednesday, May 22
- Wednesday, July 17
- Wednesday, September 4

For more information, visit:

Upcoming Events

MAY

First Aid

Saturday, May 11, 9:00 a.m. - 12:00 p.m.
Coldwater Lake Association building

Boater Safety Class

Saturday, May 18, 9:00 a.m. - 4:00 p.m.
Coldwater Lake Association building

CLA Community Education Series

Wednesday, May 22, 7:00 p.m.
Coldwater Lake Association building

JUNE

Food Truck Friday

Friday, June 14, 11:00 a.m. - 6:00 p.m.

Annual Meeting

Saturday, June 15, 9:00 a.m. - 10:30 a.m.
Coldwater Lake Association building

JULY

First Annual Coldwater Lake Flotilla

Thursday, July 4, 1:00 p.m.

Pancake Breakfast

Saturday, July 6, 8:00 a.m. - 11:00 a.m.
Coldwater Lake Association building

Fireworks

Saturday, July 6
On Coldwater Lake at dusk - Rain date TBD

CLA Community Education Series

Wednesday, July 17, 7:00 p.m.
Coldwater Lake Association building

Food Truck Friday

Friday, July 19, 11:00 a.m. - 6:00 p.m.

Chain of Lakes Poker Run

Sunday, July 21
Starting at Coldwater Lake and going to Marble Lake

On-going summer events at the CLA Building:

Yoga

Tuesdays at 5:30 p.m., April - September
Free to members. \$10 to non-members

Euchre

Thursdays at 6:30 p.m., year-round

BookMobile

Second Saturday and third Wednesday of each month
10:30 a.m. - 12:00 p.m., year-round

Lake Area Events:

Shawnee Shoals & Iyopawa Garage Sales

Friday & Saturday, June 7-8 beginning at 9:00 a.m.

Strawberry Fest & Craft Show

Saturday, June 15, 9:00 a.m. - 3:00 p.m.
Downtown Coldwater

Corner Farmers Market

June 22 - September 14, 9:00 a.m. - 1:00 p.m.
Every Saturday
Downtown Coldwater

Hops on Monroe

June 20 - August 29, 5:00 p.m. - 9:00 p.m.
Every Thursday (except July 4)
Downtown Coldwater, Monroe St.

Pearl Beach Garage Sales

Saturday, July 20, 8:00 a.m. - 2:00 p.m.

Golf Carts Around the Lake

There's no doubt, golf cart usage around the lake is a hot topic. We were happy to start the community conversation and interest in the township(s) pursuing a golf cart ordinance to benefit the lake community at large and enhance lake life and safety. Since the initial fact finding meeting held at the CLA building in August, the meeting resulted in the topic being heard by the Ovid Township Board at their September meeting. Since that time, the township board has moved the topic to the township planning commission. The end goal is an ordinance governing safe use of golf carts on our roads.

While passing ordinances is not a difficult task in and of itself, passing an ordinance that enables the practical use of golf carts by "lakers" and also falls within the State's

restrictions is likely more challenging and does require time and effort. No matter what the township would like to pass in an ordinance, there are certain restrictions the State places on such ordinances, such as, under no circumstance is anyone under the age of 16 allowed to operate a golf cart on public roads. Golf carts are not allowed to operate on roads where the speed limit is in excess of 35 MPH nor allowed to be operated on public roads after dusk and before dawn.

Stay tuned to the CLA website for updates on this topic. You can also find summaries of most of the township board and planning commission meetings on the site.

ColdwaterLakeAssociation.com/golfcart

CLA Contributes \$13,700 to Fire Department in 2023

The Lakeland Fire Department is extremely grateful for the support and donations from the Coldwater Lake Association. The donations provide much needed resources for critical training and safety equipment for their team.

2023 Lakeland Fire Department Update:

- 238 runs; 136 medical first response and 102 fire calls
- Donations were used to purchase two 9 inch cutting saws and a sawzall. These are used to cut through metal including metal barn siding, garage doors etc.
- The LUCAS Chest Compression device purchased last year has been used at least five times since being commissioned into use.
- The department would like to encourage all residents to purchase and display green address markers. They can be purchased at Home Depot or Amazon for approximately \$30.
- The department is currently accepting applications to be a volunteer firefighter. Please call 517-238-4345 if interested.

Fish Stocking Continued in 2023

You may recall that we restarted walleye stocking in Coldwater Lake lake in 2022. We committed to a three-year program to stock 1500 walleye fingerlings annually. The Board began planning after Jim Bentley expressed interest and outlined the DNR's guidelines and referenced the 2014 survey of the Coldwater Lake Fishery.

In September of 2023, we held an informational meeting and invited Matt Diana, of the Michigan DNR, a fisheries biologist who has extensive knowledge of Michigan fisheries, and particularly the St. Joe watershed, which includes Coldwater Lake and all lakes and streams within Branch County. Over 30 interested community members attended.

While the Lake Association is making investments in a stocking program, the DNR has their own stocking program that is fully state funded. The DNR makes use of their resources and assets to stock walleye in all of Michigan lakes, which there are quite a few out there. Of all the inland lakes in Michigan, the DNR makes assessments on which ones to support by reviewing the habitat and balance of the fish contained within the fishery, all of which contribute to the success rate of their stocking efforts. Additionally, it is a positive when the DNR sees a local association making investments on their own, as it speaks loudly to the interest and commitment of the local community. Matt made a great point in stating there are so many lakes in Michigan, the DNR alone is not fully capable of managing them all. They depend on the efforts and interests of local communities to become extensions of the DNR for many lakes. When they see the local community involved and offering assistance, those are likely targets for the DNR to contribute additional resources, support, and funding.

Matt spent a great deal of time outlining the benefits and concerns with moving forward with a walleye program in Coldwater Lake and assured the group that this is a good program for not only Coldwater Lake, but the chain as a

controlled manner would be beneficial with very limited negative impact.

One of the negatives to be cautious of is increasing the natural balance of predator fish. Bass and pike are a predator fish and they are both in ample supply within the Coldwater Lake Fishery. Matt informed the group that one option for better controlling the smaller-sized pike in the lake and allow for more walleye is to

change some of the regulations regarding pike fishing. The DNR has the ability to amend state regulations by adapting them to specific fishery needs. Doing so by targeting specific sizes of pike would allow a greater harvest rate of medium sized pike while also providing for the occasional "trophy" pike to remain an event. Reviewing and managing the fishery in this manner is exactly the purpose of the DNR's program and by working closely with them, our group can improve the asset of the fishery over time. It is this interaction between the local community and government agencies that produce positive results.

The Coldwater Lake Association Board of Trustees immediately reacted to the positive outcomes of the meeting and voted to increase the funding commitment for the fall of 2023. Further, a committee structure is being initiated to support this project long-term and interested attendees volunteered to participate on the committee.

The committee will assess and discuss actions to be recommended to the Coldwater Lake Association Board, as well as work closely with the DNR. As the last fishery survey on Coldwater Lake was completed in 2014, the committee will also follow through to assure the DNR updates the survey by 2025. Furthermore, the committee will be responsible for setting budget and fundraising efforts for the long-term success of the program. You will notice the new membership and donation card now offers the option to donate specifically to fish stocking in 2024.

For more detailed information on the fish stocking program being implemented, please visit our website at ColdwaterLakeAssociation.com/fish

Thank You, 2023 Donors

Your generous contributions make Coldwater Lake and all of our fantastic events possible.

Branch District Library At your service and convenience

Branch District Library (BDL) serves our community in many ways. Did you know that the Library is composed of six locations around Branch County? BDL currently serves more than 14,000 active cardholders with a collection of over 108,000 items housed in the six branches, and a digital collection of almost 1.5 million items. The library also offers a variety of services to our patrons, including access to computers, wireless Internet, mobile printing, great programs, and events for all ages.

In 2023, BDL began offering mobile library services. Coldwater Lake is fortunate to host the mobile library twice a month at our association building.

We are excited for the completion of their new BookMobile, that will be arriving soon. The mobile library offers:

- Library cards (new or renewal)
- Books
- DVDs
- WiFi access

If they don't have a book or DVD you're looking for, put in a request and they will bring it on their next visit!

Two Food Truck Events This Summer

Take the day off from cooking, round up your family and friends, and head to the Coldwater Lake Association building on *June 14 and July 19 from 11:00 a.m. - 6:00 p.m.* to find a variety of food trucks encircling the building.

Lake Association Building For Rent

The Coldwater Lake Association building can accommodate your special event! The building is located just off Centennial Road at 516 Warren Road and daily rental is \$125 for members and \$150 for non-members with a \$50 deposit at time of booking. For availability and rental information, contact Denise Ward at 260-715-7159.
